FEES

A one-time filing fee of \$50 is required and must be attached with each permit application.

A registration fee of \$50 is also required to obtain a Used Oil Handler Certificate that is necessary to operate as a Used Oil Marketer in Utah. This is an annual registration fee that will need to be renewed by December 31 of each calendar year. This fee must also be attached.

The Permittee will be billed for actual costs associated with the review of the registration application and registration preparation.

DEFINITIONS

- ! **USED OIL** – Any oil refined from crude oil or synthetic oil, that has been used and as a result of that use is contaminated by physical or chemical impurities.
- ! **USED OIL FUEL MARKETER** - means any person who conducts either of the following activities: (a) directs a shipment of off-specification used oil from its facility to a used oil burner; or (b) first claims the used oil to be burned for energy recovery meets the used oil fuel specifications set forth in R315-15-1.2. A person may not act as a used oil marketer without receiving a registration number issued by the Executive Secretary of the Utah Solid and Hazardous Waste Control Board pursuant to R315-15-13.7.

The owner or operator shall notify the Utah Division of Solid and Hazardous Waste in writing of any changes in the information submitted on the registration within 20 days of the change.

A registered used oil fuel marketer shall maintain a complete record of all analyses and transactions, documented by reproducible receipts for three years; and, upon request, make available to the Division for inspection or photocopying, all applicable analysis, records, and receipts for purposes of review and audit.
